JOLF Coaching – WinterTerm

“we aim to provide a fun, engaging and appropriate experience for each child, every time”

Children love JOLF because they -
 are engaged and happy.
 make friends
 play golf games.
 develop new skills
 feel safe and welcome.
 have choices.

Children learn JOLF’s Mindset Movement and Golf skills. They play golf immediately on modified golf courses develop the strategies and skills of golf practice important movement and sport skills through energetic movement games.
 Evaluate their own progress, plan targets and begin to organise their own learning
 develop self-confidence and learn how to be cooperative and supportive with other children.
 practice their reasoning skills and are creative when tackling challenges and designing games.

The JOLF Community helps children feel they belong
 Your child will be welcomed and happy in our JOLF groups. Our coaches specialise in coaching children and ensure their well-being at all times. Children’s parents are very welcome to join in and talk to the coach at any time.

Booking is essential - For further information please contact
