# THE MEMBERSHIP EXPERIENCE

Unique to Hever Castle Golf Club is our provision of 'Members Only' times, seven days a week. The first tee times each day are reserved for members and their guests, up until 10am on weekdays and midday on weekends. Within these times are roll-up periods, so members need not even book, with tee times outside of this bookable by members two weeks in advance.

All sections are well covered with the seniors, mens and ladies all running their own competitions and matches whilst coming together for a range of mixed events.

Whilst our competition diary is mature with plenty for the competitive golfer, the social golfer has equal status and we ensure those seeking a relaxed and friendly round have easy access to the courses.

We have a range of options for Corporate Members, all of which allow guests to play with you during members times – a perfect way to entertain clients and be off the course in time for lunch!

Please turn overleaf for more details on membership options and benefits.
